CHESTERFIELD COUNTY, VIRGINIA Building Permit Fee Schedule

Effective 7/1/2006 through 6/30/2007

Generally, fees are reviewed annually and adjusted to cover operational expenses of the department. Residential permit fees are based on the cost per inspection and commercial permit fees are based on the estimated cost of construction. This fee schedule was presented at a public hearing and adopted by the Board of Supervisors. All permit fees are required to be paid at the time of application. Checks should be made payable to: **"Treasurer, Chesterfield County."**

I. FEE EXEMPTIONS

- A. A building permit fee will not be required where the cost of construction is less than \$500 and would not require securing any permit for electrical, gas, mechanical, or plumbing permits. Please refer to Section 107 of the Virginia Uniform Statewide Building Code.
- B. Church Sanctuaries: Building and auxiliary permits for areas designed and used for religious assemblies, and as a place of worship, are exempt from fees for the sanctuary portion only.
- C. Enterprise Zone: Commercial construction located in the "Enterprise Zone" as designated by the Commonwealth of Virginia, and administered by the Chesterfield County Economic Development Office, will not be required to pay permit fees for building or auxiliary permits (expires 12/31/2014). An Enterprise Zone Application is required before the permit fee can be waived. For more information, contact Economic Development, 804-748-3963.
- D. County departments funded by the general fund will not be required to pay permit fees for building and auxiliary permits.
